

Hotel Telegraaf

Vene 9, 10123 Tallinn

Quite possibly, the best boutique hotel in Tallinn and a sophisticated addition to the medieval city centre, Hotel Telegraaf is a beautifully restored 19th century historic building, formerly Tallinn's telephone exchange, with a day spa, pool, superb restaurant and a vibrant bar.

Contemporary design is reflected in deep soothing colours in the lobby and restaurant creating a feeling of warmth. A stunning winding staircase with wrought-iron banisters leads to the cosy, comfortable rooms and suites. The Russian-themed restaurant, Tchaikovsky, serves Russian cuisine influenced by recipes from 'old masters'.

A great bonus to your stay, especially in winter, is the spa with sauna, steam bath and an indoor pool. Wander through the cobbled streets of Tallinn to discover its numerous castles and extravagantly decorated domed churches.

In line with our commitment to offer our guests both choice and diversity, Small Luxury Hotels of the World properties offer a range of room categories for you to choose from.
